Action Taken Report

A feedback was collected from the teaching faculty of the college and based on an analysis of the feedback below mentioned recommendations were made:-

- 1) The positive feedback was acknowledged and it was impressed upon the respective Board of Studies of affiliating university to maintain the current syllabi structure. However, periodic reviews should be considered to ensure ongoing relevance.
- 2) The language and clarity of the aims and objectives in the syllabi should be reviewed and refined. Additional guidance or training to faculty to communicate these effectively to students shall be provided by the college.
- 3) The list of recommended reference material be evaluated and updated and it shall be ensured that the faculty and students have easy access to all available resources.
- 4) The efforts should be made by the faculty attending the Board of Studies meeting to update and innovate course content to meet evolving needs.
- 5) The current list of optional papers should be reviewed and opportunities should be explored to expand existing choices in cross cutting fields.
